ear Parents, Families and members of the College Community,

Over the holidays, demolition of much of the MacKillop block began. This is always an interesting process because you don't really know what you are dealing with until you begin. There were some surprises but nothing our creative architect, Al Santelli, couldn't deal with.

Embracing the Gifts

Out of the depth of your love you

called us to new life in Christ. As we rejoice in the resurrection, may our lives and our work together echo the many gifts you have blessed us with for a purpose. May all our being resound the

glory of your name as we say, Glory be to the father and to the Son, and to the Holy Spirit, As it was in the beginning is now, and ever shall be, World without end. Alleluía! Live Jesus in Our

### Week 2 Frequently Asked Questions What is happening about assessment during Online Delivery for

During the Online Delivery phase, the focus has moved from summative assessment (assessment of learning) to formative assessment (assessment for learning). Formative assessment will include, quizzes, reviews, reflections etc., rather than tests. Formative assessments will not count towards a student's grade How is my child's activity monitored on Teams?

alongside their academic learning.

**Years 7-10?** 

Since Teams for Education is designed to serve as a digital classroom hub, it features many ways to support teachers in classroom management. Teachers can mute students who may add distracting

or inappropriate messages to group discussions, and they can delete those unproductive messages entirely. As a communication platform with specific features to support teaching and learning, Teams is a great opportunity for students to build and practice digital citizenship
